Dear Family

The academy has been given the opportunity to take part in a project that will run jointly between schools, academies and West Midlands Police.

Operation Encompass is the reporting to schools, prior to the start of the next school day, when a child or young person has exposed to, or involved in, any domestic incident.

Operation Encompass will ensure that a member of the academy staff, known as a Key Adult, is trained to allow them to liaise with the police and to use the information that has been shared, in confidence, while ensuring that the academy is able to make provision for possible difficulties experienced by children, or their families, who have been involved in, or exposed to, a domestic abuse incident.

We are keen to offer the best support possible to all our students and we believe this will be extremely beneficial for all those involved.
