WELCOME

Welcome to our Annual Awards Evening to celebrate the success of our students in the academic year 2019-2020

Thank you for attending our annual awards evening here at Thorns. This is one of my favourite events, as it gives staff the opportunity to recognise the hard work of our students this year.

Our results are the most improved Attainment scores in Dudley and I am very proud of our students and staff. I believe we have the best collection of teachers in the area and our recent results at GCSE and A level support my belief. I hope you enjoy the evening, as we celebrate our successes together.

Mr M Kelay
Principal

Welcome to our annual Awards Evening. I am so pleased to see you all here tonight. This is a very special evening for all of us as it gives us all the opportunity to celebrate our students' successes and the outstanding practice that takes place here at Thorns.

These students are exceptional representatives of more than 3000 students we now teach every day across our Trust. Their great outputs, commendable attitude and superb results are an inspiration to all of us and we could not be more proud.

As ever I wish to express my thanks to all staff, students and families for their hard work. They are simply stunning!
