

Let It Be (quarantine) by the Beatles and Cameron Meese

The Beatles

When I find myself in times of trouble, Boris Johnson comes to me

Speaking words of wisdom, quarantine

And in my hour of darkness the fridge is right in front of me

Speaking words of wisdom, quarantine

quarantine, quarantine, quarantine, quarantine

Whisper words of wisdom, quarantine

And when the broken-hearted people living in the world agree

There will be an answer, quarantine

For though they may be parted, there is still a chance that they will see

There will be an answer, quarantine

quarantine, quarantine, quarantine, quarantine

Yeah, there will be an answer, quarantine

quarantine, quarantine, quarantine, quarantine

Whisper words of wisdom, quarantine

quarantine, quarantine, quarantine, yeah, quarantine

Whisper words of wisdom, quarantine

And when the night is cloudy there is still a light that shines on me

Shine until tomorrow, quarantine

I wake up to the sound of music, Boris Johnson comes to me

Speaking words of wisdom, quarantine

quarantine, quarantine, quarantine, yeah, quarantine

There will be an answer, quarantine

quarantine, quarantine, quarantine, yeah, quarantine

There will be an answer, quarantine

quarantine, quarantine, quarantine, yeah, quarantine

Whisper words of wisdom, quarantine
