NB	In preparation for the options process students will experience a number of assemblies by Mr Fletcher which outline the options process, encourage students to look beyond their GCSEs and highlight how to make successful choices for them and their future. Students in Year 9 will have the opportunity							

to listen to HODs deliver presentations regarding the KS4 courses available for them to study, this will take place over a week towards the end of January/start of February. These presentations will lead to discussion of picking options and having opportunities to look at Head of Department videos and overviews of the course via our school website before the Options evening on
