

30 April 2025

Dear Family,

L4L Upcoming Events Years 7, 8 and 9

As we look forward to the summer term we would like to extend our thanks for your support so far, this academic year.

We have some important assessments taking place during the summer term for Years 7, 8 and 9. There will be history, geography, and religious education (RE) assessments taking place during the week commencing 19 May. These assessments will take place in the Sports Hall to allow students to experience formal examinations conditions. Students will be working with their L4L teachers to revise and prepare for these assessments in lessons, to allow them to achieve the best possible outcomes.

We are also excited to announce a series of reward activities planned for the summer term. The first reward activity planned is a visit to the Houses of Parliament in London for a group of Year 9 students who have demonstrated hard work and diligence throughout their time in L4L. There will be further information on rewards activities for Year 7 and 8 students to follow.

We would also like to address an important matter and to remind everyone of our rules regarding the consumption of liquids during lessons. As per academy policy no energy or caffeinated drinks are allowed on site and only water is to be consumed in the classroom. We appreciate your understanding and support in this matter.

Thank you once again for your continued support. We look forward to a successful and enriching term ahead.

Yours sincerely,

L O'Gorman

Mrs O'Gorman
Director of L4L
