10 July 2025

Dear Family,

DofE Bronze & Silver Award 2025/2026

We are excited to announce that your child has the opportunity to participate in the bronze or silver level of the Duke of Edinburgh's Award program, depending on their year group. This is a prestigious international program that recognises young people who have committed to personal development through physical, skills-based, and volunteer activities.

The Bronze level is the first step in this program and offers a chance for your child to challenge themselves and develop new skills. By completing a range of activities in specific areas, your child will be able to demonstrate their determination, dedication and will be recognised for their hard work and achievement.

The Silver level is the second step in this program and offers a chance for your child to further themselves and continue to develop new skills. However, you can access Silver without the Bronze award.

We encourage you to support your child in participating in this rewarding program and to celebrate their success as they progress through the bronze or silver award.

I have delivered an assembly for all of Year 8 and 9 about the Bronze and Silver Awards and what each entails. Your child is now able to sign up to participation via this Microsoft Forms (Using your child's school account):

Duke of Edinburgh Sign-Up Form Year 8 BRONZE

Duke of Edinburgh Sign-Up Form Year 9 SILVER

Following their signing up, a deposit of £30 will need to be paid via Arbor to secure your child's position on the Award.

Yours sincerely,

J Davies
