The Crosby Group UK Limited	Manufacturing	
Little Explorers	Nursery	If students wish to undertake work experience in a primary school it is advised that they do not return to their own primary school as this is a more authentic placement. It is also important that students who want to undertake work experience in a primary school ask about the types of tasks they will be doing - at the end of the academic year students on work experience are often used to complete admin and tidying tasks rather than working directly with the children.
Cradley Play		
Little Explorers Nursery		
Happy Faces Nursery		
Playbox nursery		
Cradley C of E Primary	Primary School	If students wish to undertake work experience in a primary school it is advised that they do not return to their own primary school as this is a more authentic placement. It is also important that students who want to undertake work experience in a primary school ask about the types of tasks they will be doing - at the end of the academic year students on work experience are often used to complete admin and tidying tasks rather than working directly with the children.
