

24 March 2026

Dear Family,

Year 11 Intended Destinations Information Gathering

We are committed to supporting each student throughout their academic journey and future career development and as part of this process we need all Year 11 students to complete a form to record their intended destination post 16. This is a request that is made of all Year 11 students in the Dudley borough and is facilitated by the Connexions Careers Service.

This data allows external agencies to continue to support your child beyond their time at Thorns. Students will be contacted over the next three years to gather updated information and provide any additional support they may need. Students may also be contacted to check in on their progress in education or employment. Each follow-up will take no more than five minutes and will likely be conducted through an online survey or a phone call.

[Year 11 Leavers 2026 Intended Destination Form](#)

We encourage you to discuss your child's intended destination with them. This is a great opportunity to help them make informed decisions and to understand how you can best support them. Should you have any questions or concerns about the form or the available options, please feel free to reach out to Miss Roberts, Careers and Work Experience Lead, using the e-mail address aroberts@tca.shirelandcat.net.

Thank you for your continued support as together we can ensure your child's ongoing success and a smooth transition to their next stage of education or training.

Yours sincerely,

A Roberts

Miss A Roberts
