Dear Family

Uniform Expectations

It has been a pleasure over the last few weeks to see so many of our students taking pride in meeting our uniform expectations. We would like to thank all families for their continued support in helping their child arrive at the academy ready to learn.

This letter is just a reminder that as of **Monday 21 September**, if a student arrives in the academy with an inappropriate or missing item of uniform we will be contacting their family to arrange for them to return home to rectify it.

If a suitable item of clothing is not available at home, or the student cannot return home for another reason, we will then provide the student with the item of uniform from our pre-loved stores. If the student refuses to wear the uniform item provided (this does include suitable school shoes) then they are putting themselves at risk of suspension.

We understand that some families may still be waiting for uniform items to be delivered. If this applies to your child, please send them to the academy with a note explaining which item is outstanding and, where possible, the expected delivery date. While awaiting delivery, students will be expected to borrow a suitable replacement item from our uniform stock so that they can continue to meet our uniform expectations.

Thank you for your ongoing support and partnership. By working together, we can ensure that all students feel a sense of belonging and are able to focus fully on their learning.

Yours sincerely

Mrs G Sadler
