October 2026

Dear Family,

Year 11 English and Maths Parental Master Class

We are delighted to invite you to a masterclass created specifically for parents of Year 11 students. As your child prepares for their GCSE English and maths exams, we know how valuable it is to feel confident in supporting them at home. To help with this, we will be hosting a session that focuses on supporting your child with the upcoming mock exams in November. We have run similar sessions over the past two years, and the impact has been extremely positive.

Master Class Details:

Date: 10/11/2026
Time: 5.30pm - 7.00pm
Location: English and Maths departments

During this session, members of the English department will walk you through the main themes, characters and key quotes from the texts your child is studying. A member of the maths department will also be walking through key content your child will need to know prior their mock examination. Our goal is to provide you with the knowledge and confidence to support your child's revision for their exams and help them to refine their understanding and analysis of the material.

Benefits of attending:

- **Enhanced Support:** By gaining a deeper understanding of their examinations, you will be better equipped to help your child with their studies, particularly with homework and revision.
- **Insight into Exam Expectations:** We will also discuss how your child is assessed in exams, providing you with insights into what examiners are looking for and how you can help your child meet the expectations.

We strongly encourage all parents to attend as this is a valuable opportunity to contribute to your child's educational experience in a meaningful way. Your involvement can make a significant difference to their confidence and performance.

Please confirm your attendance using the link below.

Year 11 Master Class – Fill in form

We look forward to seeing you at the master class and working together to support your child's success.

Yours sincerely,

C.Hammond *K.Gibson*
